Received response from complainant Raheel Siddiquei on 4-05 after 5pm- via text message and email.

Followed up with text message shortly after 830am, for call at 930. RS, at my request, sent text messages exchanged with Israt Khan. Sent three captures. Text show RS identifying himself as a paralegal and telling IK that he will file complaint with licensing board- and that she has a serious mental health problem.

9am- had teams call with Russ Jarosz about file and questions about capacity.

9:30 - did recorded dialpad call with complainant Raheel Siddiquei
Confirmed he is paralegal. Not practicing. Under suspension for non-payment of fees. Responded to ad on kijiji for assistant in administrative office. Interested in getting back into immigration. Wanted experience. Belived israt khan was a licensed consultant.

Had two calls back to back in Feb - Feb 24. Says he was responding to ad. Asks where he was born. Says he is a Canadian citizen. She says he needs a better job. Responds that that is his prerogative, She responds saying he needs a fuck buddy - one of them hangs up.

RS calls back shortly there after to confront IK. She re[eats that he needs a fuck buddy several times. Follow-up over text message happened. Had - using RS's words - a "Caucasian friend" , a woman, call IK back. Totally different experience, friendly, to come in for interview. Friend calls IK back and confronts, IK hangs up.

Asked RS what led him to say she had a mental health issue. Says because he behavior seemed to come out of nowhere and did not make sense. Pressed him on difference vs just being an a-hole. Says the repetition of need a fuck buddy was red flag. Says a reasonable person would think that. Also said, that IK, could also be auto-racist toward south Asians. Asked about his basis for thinking she is unwell, mentions dad is a doctor and has read a lot of psychology. Not claiming to be an expert.

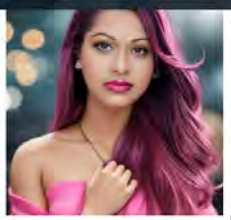

Key takeaways:

Complainant believed that IK was a licensee based on her kijiji ad
No discussion immigration in call. Interactions were short.
Questioned Complainant about characterization of mental health.
Based on lack of context for behavior and lack of connection to what they were discussing.
Interaction was for a very short amount of time, and is backed up by text message.
Interaction with complainant friend - which are hearsay at this point - suggest she was acting normally in different context- and could support complainants other view that IK was being racist.
Looking at the exchange in isolation - and assuming it occurred described, would show someone being verbally abusive. Otherwise, there does not appear to be much that can be inferred from this.

The most significant evidence is tied to the misrepresentation as Licensee in Kijiji ad. C
RS does not have copy of ad, but will show

5:12 pm - received two emails from israt khan - one advising that she was reviewing a screenshot I had provided Vinod Maun - and then another email in which I'm cc'd advising vinod that she is resigning from her position at his firm. Sent followup to Vinod seeking update re IK.

Spoke to Vinod Maun. Call him unannounced.

Did a call with AI transcript in dialpad. Had intended to record, but had technical issue

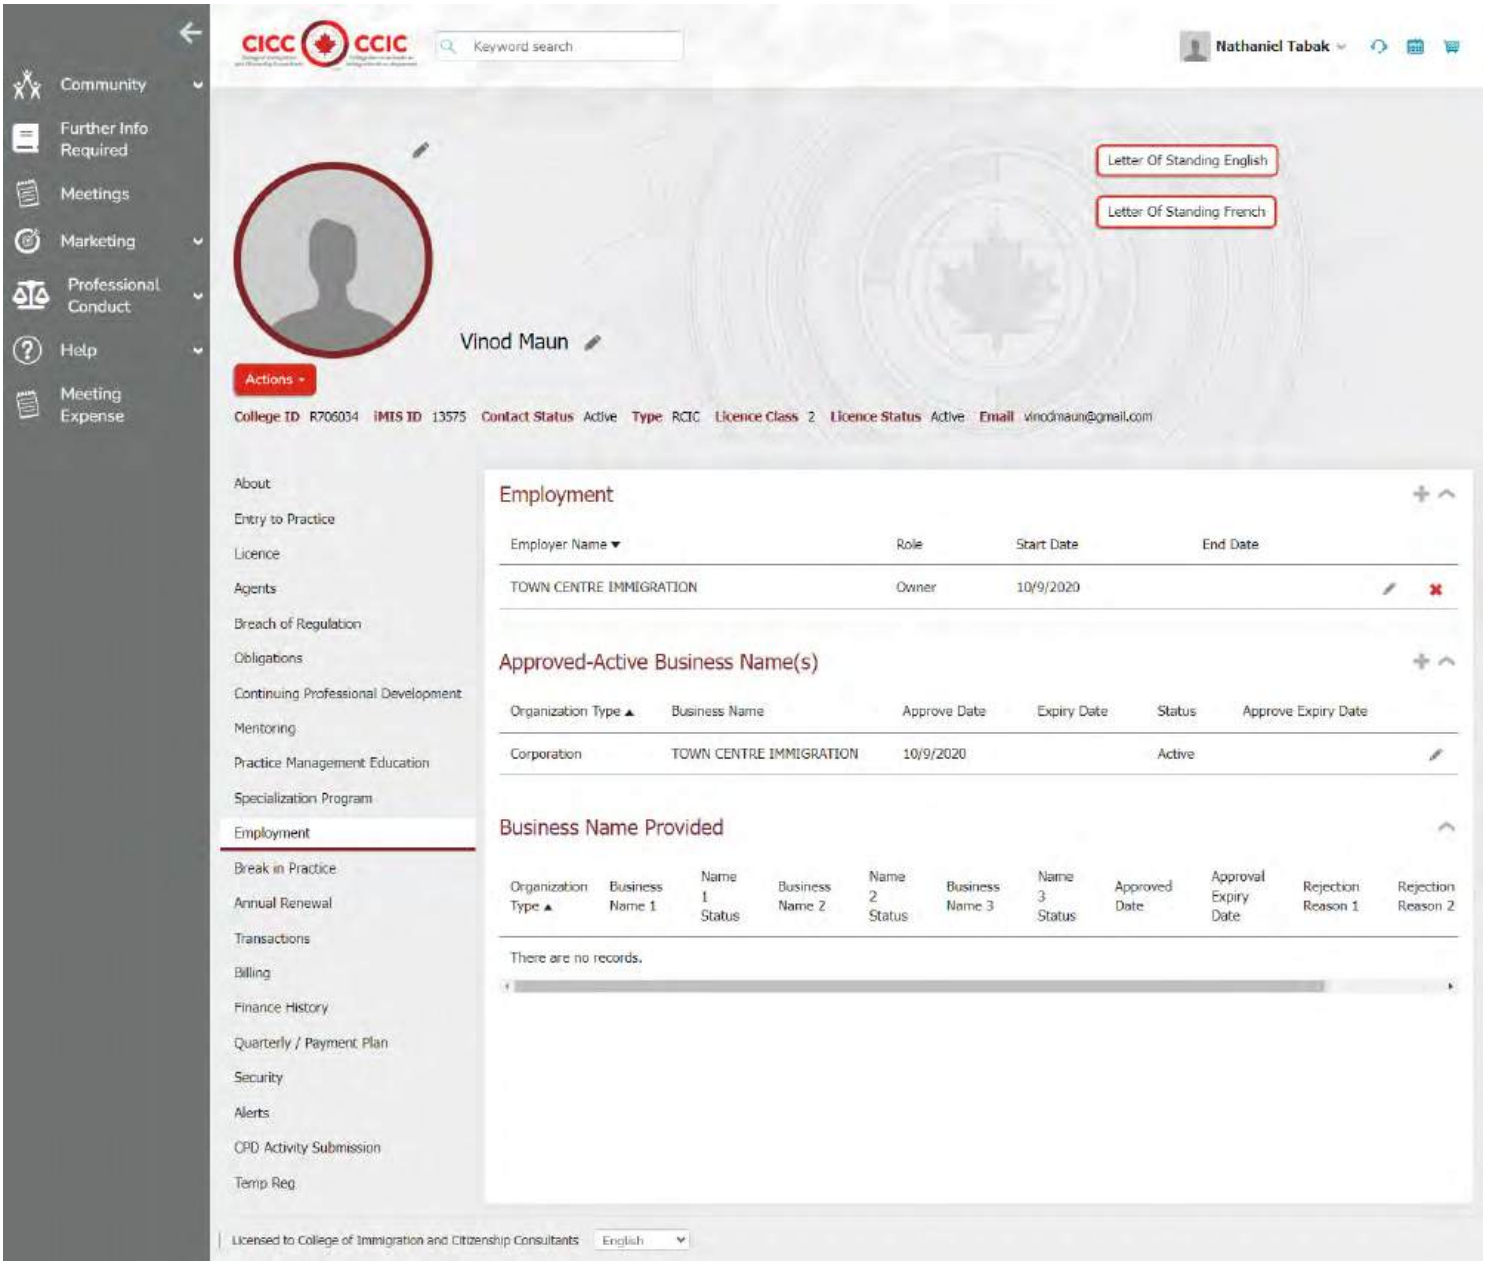

Said he had some kind of advertising arrangement Israt kahn - but never got any business through her

March 20, 2024 4:19

Last saw her 3-4 days ago. Came to office seeking immigration advice for a family member.

Showed him the website - says he did not agree to having his name on there.

Said he plans to tell her to remove his name.
-
Comes across as credible… nervous.

Dear Mr. Omware,

Thank you for getting back to me and for explaining your relationship to Ms. Kahn. Are you available for a phone call at 10 am tomorrow?

Best,

Dear Mr. Tabak

I have never been requested by Ms.Khan to add my name to her website. I have not consented to, nor authorized nor been requested by her and totally shocked at this information.

Ms. Khan does independent contracting work for us in marketing our immigration legal services and sending potential client leads to us.

She does not work for us in the capacity of an employee of our firm. She is an independent contractor.

I am travelling back to Toronto today from overseas work but will be in the office from Thursday March 28th, 2024. We can speak then.

Thank you.

Dear Julius,

I'm investigator with the College of Immigration and Citizenship Consultants. I'm investigating a suspected unauthorized immigration practitioner, Israt Khan. Ms. Kahn maintains that she does not provide any immigration services and has identified you as someone that she works with. She also recently added your name and license number to her website: https://shaikhaisrat.com/ - which you can see below.

Are you available for a phone call to discuss this in the next few days?

Thank you for your assistance,

Nathaniel Tabak

I located numerous instances of this online at links provided in the letter, and elsewhere.
